SUMMARY: This memo requests the Authority to authorize the submission of the St. Botolph Street Elderly Housing Urban Renewal Plan to the Mayor of the City of Boston, the City Council, and the Commonwealth of Massachusetts, Department of Community Affairs. This memo further requests authorization to execute a Cooperation Agreement with the City of Boston concerning the implementation of the St. Botolph Street Elderly Housing Urban Renewal Plan.

In separate memoranda submitted at this meeting, the Authority has been requested to determine the eligibility of the St. Botolph Street Elderly Housing Urban Renewal Area and to approve the St. Botolph Street Elderly Housing Urban Renewal Plan.

When approved by the Authority, it will be necessary that the Plan be submitted to the Mayor of the City of Boston, the City Council and the Commonwealth of Massachusetts, Department of Community Affairs. By Resolution adopted October 31, 1968, the Authority authorized submission of an application for Loan and Grant to the Department of Housing and Urban Development.

Because of the necessity for local grants in aid and the construction, reconstruction, alteration and repair of streets and utilities within the Project Area, it is necessary that a Cooperation Agreement be executed by and between the City of Boston and the Boston Redevelopment Authority.

It is recommended that the Authority adopt the attached Resolutions which (1) authorize the submission of the St. Botolph Street Elderly Housing Urban Renewal Plan to the Mayor of the City of Boston, the City Council, and the Commonwealth of Massachusetts, Department of Community Affairs, and (2) authorize the execution of a Cooperation Agreement with the City of Boston concerning the St. Botolph Street Elderly Housing Urban Renewal Plan.
